Welcome to the 2nd Battalion 2nd Field Artillery, the "Big Deuce" Battalion! This is a great assignment that will be both challenging and rewarding.

Our Battalion consists of two firing Batteries and one Headquarters Support Battery with approximately 200 Soldiers. Our mission is to provide fire support and logistics operations in support of the United States Army Field Artillery School and execute ceremonial salutes for the Fires Center of Excellence. We fire more than 65,000 live artillery rounds annually, which is more than any other artillery unit in the Army! The OPTEMPO in our unit is extremely fast paced year round. Consequently, we place a great deal of emphasis on safety, training, maintenance of equipment, and taking care of Soldiers and their Families. Feel free to check us out at "2nd Battalion, 2nd Field Artillery or Fires Center of Excellence and Fort Sill" on Facebook. Upon your arrival to the installation, your initial point of contact is the Battalion S1, SSG Davis, Atiba at [atiba.k.davis.mil@mail.mil](mailto:atiba.k.davis.mil@mail.mil) or (580) 442-1796. If you have any questions in getting set up here at Fort Sill, please feel free to email or call us with any concerns.

Once again, welcome to Big Deuce! I look forward to working with you, and personally meeting you and your family.
