Parent Central Services

U.S. Army Child, Youth
& School Services

- Serves as a centralized enrollment location for all CYSS programs.
- Walk-ins are welcome, but appointments do have priority
- Average registration appointment time is 45 minutes and may be longer based on the complexity of each registration
- Online pre-registration process via WebTrac at <https://webtrac.mwr.army.mil>
- CYSS does not register patrons for the NACCRA program, but serves as a liaison to assist Families with availability confirmation

The CYSS Wait List

U.S. Army Child, Youth
& School Services

1. Priority for spaces in the child development centers is determined by the date children are placed on the waiting list, and if they are Single, Dual, Wounded Warrior or other eligibility IAW AR 608-10 and the Fort Sill CYSS Eligibility SOP.
2. Length of waiting list time cannot be predicted due to the diverse daily operations within the CYSS programs.
3. Parents must update their information with Parent Central Services every 90 days.
4. Patrons/potential patrons may place their child on the CYSS Wait List online through WebTrac

Common Problems

- The percentage of “no-shows” for regularly scheduled appointments is currently at 8%.
- Sports physicals may not cover all sports or the physical may expire during the current season
- Patrons do not disclose special considerations prior to visiting the Parent Central Services office or entering CYSS care programs.
