This week's pearl of wisdom is from Booker T. Washington who said, "Few things help an individual more than to place responsibility upon him, and to let him know that you trust him."

What an amazing little leadership tip this is! Do you routinely let the people you work with know that you trust them? What about family members and children?

Try this experiment. The next time you have to delegate a chore to ensure the house runs smoothly, try letting your child

know that accomplishing the task helps the entire family and that even though doing it is a big responsibility you're sure they'll get it done right because you trust they won't let everyone else down. Then watch their face both during the conversation and after they are successful for the very first time... you can almost see that self-esteem grow in right front of your eyes! Inspiring to realize Mr. Washington knew this in the 1800s, isn't it?

The frugal family tip of the week is to make your own souvenirs. This tip works especially well when your children are small. Here's how to do it. Prior to going to an activity, like the zoo or an amusement park, hit the dollar store to find inexpensive souvenirs that have an appropriate theme. Stuffed animals, sticker sheets, pens and pencils, books and cups can all be purchased for a fraction of the cost of what you'll find them on location. Then, just as you would pack a lunch to save money, pack your "pre-bought" souvenirs. When your little one asks for something let them know you already got them something. The truth is most little ones don't care whether they get a \$14.95 stuffed giraffe from a zoo gift shop or a \$1 stuffed giraffe and a \$1 set of giraffe stickers. They just want something to add to their sense of fun and excitement about the day. Works like a charm and saves you a bundle!

The Fort Sill Running Club meets every Monday, Wednesday and Friday at 8:00 am at Honeycutt Fitness Center. Participants are split into ability groups and sent to pre-determined routes around Honeycutt. Purpose of the club is to provide runners with a partner and a variety of run routes. Beginners will be monitored by a fitness instructor and have a shorter route than runners in intermediate and advanced skill levels. Get off the treadmill and bust your boredom with the Fort Sill Running Club!

It's flu season again, and one way to combat this nasty bug is to **WASH OUR HANDS**. The proper way to do this is with soap and warm water for at least 20 seconds. Examples of when we should wash our hands: After touching common surfaces such as after pumping gas, after using a pen or typing on a keyboard, after handling money, a grocery cart, blowing noses, using the restroom, before eating and so on... Germs attach to our hands and when we touch our mouth or nose and/or rub our eyes we introduce viruses

to our body. Washing our hands often can help minimize the risk. Now of course, a good way to prevent getting sick or carrying the flu to others is by making sure we get our flu shots. Reynolds Army Community Hospital (RACH) is offering this immunization to all TRICARE beneficiaries every Saturday from now until the 20th of November at Family Practice 1, 8am-3:30pm. All women who are pregnant and children under three need to go to the RACH Immunization Clinic Mon-Fri, 7:30am-4pm. Below are the actual dates and locations for immunizations again for your convenience. Let's help keep ourselves and others healthier this flu season and stop by for our flu shots.

Now-20 November, 23, 30 Oct & 6, 13, 20 Nov, 8am-3:30pm, Family Practice Clinic #1, RACH, Ft. Sill, Oklahoma. Make sure you bring your military ID cards and your shot records if you have them. Depending on the circumstances, children ages 6 months to 8 years may need additional doses of this year's flu vaccine.
