MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Commander's Policy on Risk Management and Risk Acceptance Authority,
CG Policy Memo 12-07

1. References.

- a. DODI 6055.1, DOD Safety and Occupational Health (SOH) Program, 19 August 1998.
- b. Army Regulation 385-10, Army Safety Program, (RAR 4 October 2011).
- c. TRADOC Regulation 385-2, U.S. Army Training and Doctrine Command Safety Program, 6 December 2011.

2. Policy. I am Fort Sill's Safety Officer. Commanders and directors of all units and organizations stationed at Fort Sill will ensure composite risk management is integrated into all operations and training, and that risk assessment decisions are made at the appropriate level. I expect leaders at all levels to "see themselves, the enemy, and the environment" in the context of the training at hand. Leaders should take appropriate steps to mitigate risks and train to standard. Commanders and directors are safety officers and cannot delegate their responsibilities.

3. Procedures. Risk acceptance authorities are established as follows:

- a. Extremely High Risk – Commanding General, USAFCOEFS.
- b. High Risk – General Officers, Brigade Commanders.
- c. Moderate Risk – Battalion Commanders and NCOA Commandant.
- d. Low Risk – Battery Commanders and NCOA 1SG School Chiefs.

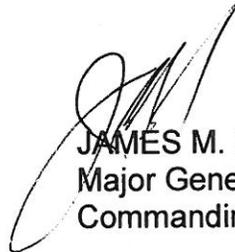

4. Base your risk decisions on the residual risk of your activity after you have applied appropriate control measures. Inform your commander/supervisor of your risk acceptances.

5. This CG Policy Memorandum supersedes CG Policy Memorandum, ATZR-CSS, 26 August 2009, subject: Commander's Policy on Safety and Accident Prevention, CG Policy Memo 09-2.
