

The following is the list of classes that is required to be IAT Level 1 certified.

Network+ 2014

CompTIA A+ 220-801

CompTIA A+ 220-802

Cyber Security Fundamentals

The actual classes are always being updated but these are the current base requirements.

The following courses are available on Skillport-

Once in Skillport open the catalog and click on the following folders:

[CIO-G-6/Cyber Security IA/IT Training] → [Baseline Certification Training] →

Now enroll in the following courses:

Network+ is found in the folder marked [NEW: CIO/G-6 NETCOM IA NETWORK+ 2014].

Both of the CompTIA A+ classes are found in the folder marked as [CompTIA A+ 2012 Edition]

The last class is available on the Fort Gordon Site

The remaining class that is required is located on the Fort Gordon Cyber Security Training Center.

<https://ia.signal.army.mil/>

From the home page click on [COURSES] and then choose the following course from the list (it's usually the 3rd of 4th link from the top):

[Cyber Security Fundamentals Formally known as the \(IAF\) Updated on 23 April 2010](#)
