MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Diner Use Policy for Appropriated-Fund (APF) Dining Facilities on Fort Sill

1. AUTHORITY: AR 30-22, DA Pamphlet 30-22, and DoD DFSP 1338.10, ITDLM Policy Handbook (excerpt).
2. The core mission of APF DFACs is to feed Subsistence-in-Kind (SIK) Soldiers that are not receiving BAS. These Soldiers are entitled to subsist without charge.
3. Due to a dramatic increase in Individual Entry Training through-put at Fort Sill, the DFACs are beginning to exceed both design capacity and capability. AR 30-22 requires the implementation of mitigating strategies once the utilization rate exceeds design capacity by 10%. A part of the mitigating strategy must be the reduction of diners that are optional when DFACs are operating at less than full capacity.
4. Therefore, effective 1 June 2018 and until superseded, patronage of the Fort Sill appropriated fund DFACs will be limited to the following personnel:
 - a. All SIK Soldiers.
 - b. Regular Army, ARNG and USAR Soldiers attending selected courses of instruction at Army institutions in a temporary duty (TDY), annual training (AT) or active duty for training (ADT) status.
 - c. Soldiers attending institutional training funded by the Deputy Chief of Staff, G-3/5/7, Director, Army National Guard and Chief, Army Reserve. (ITDLM).
 - d. Officers and enlisted personnel retaining BAS, while on duty, to include officers and enlisted Soldier's immediate family members while on PCS orders or if the Soldier is missing in action or a prisoner of war.
 - e. Officers and enlisted Soldiers not assigned/attached to a unit on the installation while on TDY status. (MTSS/ITDLM – Must carry orders or DD 714 over-stamped with MTSS 5 or MTSS 7 or ITDLM 5 or ITDLM 7).
 - f. Members of other Military services and Foreign Military stationed on Fort Sill.
 - g. Food handlers on duty in an APF DFAC.

SUBJECT: Diner Use Policy for Appropriated-Fund Dining Facilities on Fort Sill

5. The following personnel conducting short-term training are authorized to subsist in Fort Sill DFACs if a determination of supportability is made during the pre-coordination process. Units of external commands conducting training on Fort Sill will coordinate support through the Directorate of Plans, Training, Mobilization and Security (DPTMS).

- a. Members of Army senior and junior Reserve Officers' Training Corps.
- b. Cadets of U.S. Military academies on TDY.
- c. Annual Training Reserve Component Soldiers.

6. The following **Other** personnel are only **authorized to subsist in APF DFACs on a case-by-case basis** as determined by the undersigned:

- a. Civilian Dignitaries.
- b. Distinguished guests/groups escorted by Military members.
- c. Military guests at holiday meals (Thanksgiving, Christmas, and Army Birthday).

7. Point of Contact (POC) for this policy is Brian Buchanan, Food Program Manager, Fort Sill at 580-442-1896/3307.

FOOD SERVICE CHARGES AT APPROPRIATED FUND DINING FACILITIES
AND THE MILITARY ACADEMIES
EFFECTIVE JANUARY 1, 2018

Volume 12, *Special Accounts, Funds and Programs*, of DoD Financial Management Regulation (DoD 7000.14-R) stipulates that the Office of the Under Secretary of Defense (Comptroller) shall prescribe the rates for food service charges annually.

1. Chapter 19 (*Food Service Program*) of Volume 12, addresses rates to be charged for meals at Department of Defense (DoD) dining facilities. The following food service rates are effective January 1, 2018.

A. Traditional Meal System

<u>Meal</u>	<u>Discount Rate</u>	<u>Standard Rate</u>
Breakfast	\$2.60	\$3.45
Lunch	\$4.25	\$5.60
Dinner	\$3.65	\$4.85
Total	\$10.50	\$13.90
Brunch	\$4.70	\$6.25
Supper	\$5.75	\$7.65
Holiday	\$6.80	\$9.10
Night Snack	\$2.60	\$3.45

The **discount rate** shall be charged to:

- (a) spouses and other dependents of enlisted personnel in pay grades E-1 through E-4.
- (b) members of organized nonprofit youth groups sponsored at either the national or local level and permitted to eat in the general dining facility by the Commanding Officer of the installation. Such groups include: Civil Air Patrol, Junior ROTC and Scouting units.
- (c) officers, enlisted members, and federal civilian employees who are not receiving the meal portion of per diem and who are either:
 - (1) Performing duty on a U.S. Government vessel,
 - (2) On field duty,
 - (3) In a group travel status, or
 - (4) Included in essential unit messing (EUM) as defined in the JFTR, Volume 1.
- (d) officers, enlisted members, and federal employees who are not receiving the meal portion of per diem, and who are on a U.S. Government aircraft on official duty either as a passenger or as a crew member engaged in flight operations.
- (e) officers, enlisted members, and federal employees on Joint Task Force operations other than training at temporary U.S. installations, or using temporary dining facilities.

The **standard rate** shall be charged to all officers and enlisted members receiving an allowance for subsistence (other than those addressed under discount rate (a) through (e) above); any officer, enlisted member or federal civilian employee receiving the subsistence portion of per diem; and all

other personnel (including Reserve Component officers on Inactive Duty Training) authorized to eat in DoD dining facilities.

B. A la Carte Meal Pricing System. When using an “a la carte” menu, the price of each item on the menu shall be established at 133 percent of the food cost (i.e., the cost of unprepared food multiplied by a factor of 1.33).

2. Chapter 20 (*Military Academy Dining Hall Operations*) of Volume 12 stipulates that the daily amount of subsistence shall be prescribed by the Secretary of Defense for each Military Department that operates a Service Academy dining hall in support of cadets or midshipmen. The following rates are effective January 1, 2018.

A. Daily Cadet/Midshipmen Subsistence Allowance. The subsistence allowance is applicable when in a leave or temporary duty status, and is equal to the daily rate for an enlisted member receiving Basic Allowance for Subsistence (BAS). The daily rate is \$12.30.

B. Academy Dining Hall Food Service. The rates below are to provide food service support to cadets or midshipmen, and the amount so prescribed will be allocated by the Military Departments from the current Military Personnel Appropriation to a non-appropriated fund at each Academy based on the number of cadets and midshipmen present for training.

	Academy Dining Facility Food Service		
	<u>United States Military Academy</u> ¹	<u>United States Naval Academy</u> ¹	<u>United States Air Force Academy</u> ²
Daily Rate	\$12.30	\$12.30	\$13.90

Dinner	\$4.30	\$4.30	\$4.85

¹ The daily Academy dining facility food service rates for Army and Navy Academies are currently set at the daily Enlisted BAS level pending completion of a Service and Academy review of food cost requirements.

² The Air Force rate reflects the results of their daily food cost analysis that was implemented on January 1, 2017.
