When arranging a personal property move you must have PCS and or TDY orders that authorized the move.

You may elect to self-counsel at MOVE.MIL however once you have self counseled you must provide copy of your order to our office. You may also self counsel in our office KIOSK.

If you are counseled in our office we no longer do the booking of your shipment. It is scanned and sent to JPPSO McHord/FtLewis, WA so arrange your shipment enough ahead of time for it to get processed and booked.
