MEMORANDUM FOR GARRISON DIRECTORATES

SUBJECT: Army Readiness Assessment Program (ARAP)

1. In order to better understand our Safety and Readiness Posture, I have enrolled our organization in the Army Readiness Assessment Program (ARAP). The purpose of the ARAP is to provide an unedited view of Soldiers and civilians safety attitudes and beliefs. I need everyone's assistance to meet this requirement. All garrison staff, military and civilian, will go on-line and complete the survey NLT 6 February 2007. To take the assessment, follow these steps:

- a. Login into ARAP at <https://unitready.army.mil/>.
 - b. Click on the box labeled "Take Assessment" (brown box at bottom of web page).
 - c. Type in the Assessment code **(630001)**.
 - d. Select your branch from the drop down menu "**Garrison**" and click on submit.
 - e. Select your rank (this is the only demographic the Combat Readiness Center tracks) then take the assessment.
2. This will take between 10-12 minutes per person. The assessment is completely anonymous; there is no way to track this back to the person taking the assessment.
3. Direct questions to the Installation Safety Office, 442-4466/4215.
