Blue Star Families launched their 2020 Military Family Lifestyle Survey last week! Why is this so important to military families like yours? Real data = real solutions to programs and policies that improve your quality of life. So, what do you say? Will you raise your hand to keep the momentum going and sustain change? If so, share what’s currently affecting your military family by taking the 2020 Military Family Lifestyle Survey today at https://bluestarfam.org. It should only take about 30 minutes of your time to complete. And once you do, you can enter to receive one of five $100 gift cards. It’s BSF’s way of saying thank you for your commitment to being a voice for your community.

September is also National Preparedness Month. Limit the impacts that disasters have on you and your family. Know the risk of disasters in your area and check your insurance coverage.
