

COVID concerns cancel Retiree Days

After careful consideration and to help safeguard the community from the spread of COVID-19, Fort Sill has made the difficult decision to cancel the 43rd Annual Retiree Appreciation Days (RAD) scheduled for Sept. 16 and 17. Because of the increasing cases of COVID-19 in the local area, there is a concern about being able to safely hold the 2021 RAD. All RAD activities normally planned will not take place in 2021. COVID-19 has changed much in life, and for this reason post leaders have decided this cancellation should help minimize the spread of the disease. A virtual RAD will be held later in the year. Everyone involved with this annual salute to veterans and their families hope to resume this event next year.
