

# JOIN CACI TO CONTINUE YOUR MISSION

## CACI Values Veterans

### Did you know that over 37% of our employees are veterans and members of the National Guard or Reserves?

CACI is seeking **Engineering professionals** to perform a variety of complex engineering tasks of an analysis, design, or test nature in support of client product and/or service areas. These jobs require strong technical skills in electrical, mechanical, software or hardware engineering disciplines. Our engineering teams are highly adept at solving complex problems with the application of leading-edge technology solutions, empowering decision-makers to make better mission-critical decisions.

Why build a career at CACI? At CACI you would become part of a team whose military hiring and development efforts are recognized across the industry. We provide veterans with rewarding careers where they can continue their mission and exercise their proven leadership, job skills, discipline, integrity, teamwork, and work ethic.
